Click on the red field “Register by (date)” which can be found at the bottom of each event description:

This will take you to your Member Events Cart:
From here you can either ‘Add Another Event’ if you wish to register for additional event(s), or click ‘Pay Now’ to pay for the item(s) in your cart. If this is an event where you can bring a guest you can do so at this point of time.

You can pay by cheque, cash or PayPal. If you don’t have a PayPal account you can still use the platform to make payment with your credit card:

Once you have made payment, you will receive a confirmation email. If the event is already fully subscribed, you will be placed on a waiting list.

If you would like to see an overview of the events you have signed up for, click on My Profile, then select either Event History or Payment History.
If you have any questions or need assistance, please contact the FOM Office or write an e-mail to office@fom.sg
